Join us as we celebrate excellence in the Rocky Mountain aerospace community. Come socialize with professionals and leaders in the industry, and help us celebrate the achievements of fellow members.

The evening's agenda will include:

- Honoring our members who are selected as AIAA-RM Engineer, Young Engineer, and Educator of the Year
- Recognizing members from this past year who received AIAA national awards and fellowships
- An announcement of upcoming section events
- Introduction of the new AIAA-RM Council members for 2014-2015

Dinner menu includes choice of a variety of Mexican dishes, appetizers, desserts, and one drink ticket.

Cash bar will be available.

Please make reservations no later than May 16. Due to limited seating, registration is limited to 70 people.
